Monthly Parking Agreement

Upon acceptance of this Monthly Parking Agreement (this “**Agreement**”),

(“**One Parking**”) shall grant you (“**Customer**”) a license to use a parking space (or parking spaces) at the facility located at address specified above (the “**Facility**”). Please read the following terms and conditions carefully, as Customer’s acceptance of this Agreement shall result in a legally binding contract.

1. One Parking hereby grants a license to Customer to use one or more unreserved parking spaces (as designated by One Parking) at the Facility (unless otherwise designated and paid as a reserved parking space). This Agreement shall commence on the date selected by Customer (the “**Commencement Date**”) and shall automatically renew for each month thereafter until the Customer provides notice of termination, unless otherwise terminated earlier as specified herein. To terminate this Agreement at the end of a calendar month, Customer must submit the termination notice on or before the 14th day of that month. The termination notice must be submitted online by logging in at <https://oneparking.com/>, selecting “**Login**”, selecting the account you want to terminate, selecting “**Stop Parking**”, and finally by selecting a cancellation date and reason for termination. All of Customer’s previous monthly parking invoices must be paid before initiating and submitting the termination notice. If Customer is entering into this Agreement for Customer’s employees (a “**Group Account**”), Customer represents that Customer has the authority to enter into this Agreement on behalf of its employees, and all terms and conditions of this Agreement shall be binding on Customer’s employees. Customer shall also be responsible for the acts of Customer’s employees as if such acts are Customer’s own acts.

2. Customer shall have use of the Facility only during those hours designated for monthly parking at the Facility. One Parking may change or designate the hours for monthly parking at the Facility at any time.

3. One Parking may terminate this Agreement immediately upon notice if: (i) One Parking’s underlying agreement to lease or manage the Facility expires or terminates for any reason, (ii) the Owner of the Facility requires One Parking to terminate this Agreement for any reason, or (iii) Customer breaches any term of this Agreement. In each such instance, One Parking shall endeavor to provide Customer with advance notice of such termination to the extent practical. All communications required under this Agreement from One Parking will be effected through email communication from an authorized “@oneparking.com” email address and/or services@billing.integrapark.com. Note: the services@billing.integrapark.com cannot receive incoming mail and is for outbound communications only. One Parking may notify its customers via email of expected or unexpected parking changes within the parking Facility. Email is also the primary form of invoice distribution, parking announcements, and rate changes. Failure to provide and maintain an actively monitored Customer email may result in delayed or missed communications. Any communications from Customer to One Parking, other than termination requests that must be handled in accordance with Section 1 above, that are required under this

Monthly Parking Agreement

Agreement must be effected through Customer's account by emailing AR@oneparking.com and/or info@oneparking.com.

4. During the term of this Agreement, Customer shall pay One Parking a monthly parking fee, or an aggregate lump-sum monthly parking fee for all parking spaces licensed by Customer, plus any and all applicable parking taxes (the "Parking Fee"). In some instances, parking accounts may apply for tax exemption. To do so, a valid tax exemption letter provided by the governing body from which that tax is assessed must be submitted to One Parking to receive a tax-discounted rate. Customer shall submit a tax exemption request, stating Customer (or Customer's employees') eligibility for such reduction. In the event that this tax is assessed as a result of an audit or newfound knowledge, the tax will become due and assessed against Customer's account.

The Parking Fee (the monthly fee, plus applicable parking taxes) and the Account Maintenance Fee shall be due and payable by the first day of each month in advance, and Customer will be subject to a late fee if the Parking Fee is not paid in full by the first day of the month and/or interest charges at the highest legally permitted rate as designated by law, accruing from the date on which such Parking Fee was due (as specified at the Facility). Unless otherwise specified at the Facility, the Parking Fee is due on a full-month basis and cannot be prorated for any reason whatsoever except for (i) the first month if the Commencement Date is not the first day of a calendar month, and/or (ii) the last month if One Parking terminates this Agreement on any day other than the last day of such month and such termination is not due to Customer's (or Customer's employees') breach of this Agreement. In addition, One Parking may terminate or suspend privileges under this Agreement if payment is not made on the date such Parking Fee was due. One Parking reserves the right to increase the Parking Fee from time to time upon email notice to Customer. One Parking will endeavor to provide at least fifteen (15) days' notice to Customer of a change to the Parking Fee. **Please note that if Customer chooses to set up its account with Automatic Recurring Payments and provides credit/debit card information or ACH debit account information, Customer's credit/debit card or ACH debit account will be automatically charged the Parking Fee and the Account Maintenance Fee each month during the term of this Agreement. Cash will not be accepted as a form of payment for the Parking Fee.**

5. **THIS SECTION APPLIES TO GROUP ACCOUNTS ONLY:** Customer may decrease the number of permits for parking spaces it uses from time to time. The reduction of the number of permits must be submitted online by logging in at <https://oneparking.com/>, selecting "Login", selecting the account you want to adjust, select "Update" next to "Active Parkers", select "Edit" for the desired parker, and adding a "Last Day to Park" date. Any reduction in the number of permits must be made for the last valid day of parking for that particular permit. Customer may increase the number of permits for parking spaces, however, any requested increase in permits is subject to availability of parking spaces at the Facility and may be subject to prior approval by Owner of the Facility. Upon such approved increase or decrease, the Parking Fee shall be adjusted accordingly. If there is a conflict in the language between this Monthly Parking Agreement and Customer's contract or lease ("Customer Lease") with the owner of the Facility, the language in the Customer Lease shall prevail.

Customer agrees to pay a replacement fee for each Access Credential that is lost, stolen, or damaged. If applicable, Access Credentials must be properly displayed at all times as instructed at the Facility. Customer (and Customer's employees) agree to follow any other instructions for in-and-out privileges at the Facility, as may be applicable.
